

ON-LINE CERTIFICATION FOR MONTHLY CARDHOLDER AND BILLING OFFICIAL GOVERNMENT PURCHASE CARD

The DoD Government Purchase Card (GPC) Program entered a new phase that incorporated electronic commerce tools into the bill reconciliation and paying process. This new era enables cardholders and billing officials to log transactions, view and reconcile transactions and to certify billing statements for payment electronically, on a worldwide 24 hour, seven-day a week basis. This capability provides DoD with tools to accelerate the payment of U.S. Bank purchase card invoices and, potentially, result in rebates. These rebates benefit each unit as they are credited back to the billing official.

Computer Requirements f0or Certifying On-Line using C.A.R.E.: Computer with Internet access. You must have the following minimum browser requirements: Internet Explorer 4.01+; Netscape Communicator 4.50+; Pentium 120MHz processor; 32 MB memory; Windows 95 or higher; 33.6K modem; Flash 5 plug-in (already detected); Acrobat Reader; and JIT Java .
